If you have new sighting(s), please list them here. Please include bird name, rough location of where on the Reserves you made the sighting(s) and any other relevant comments:

Please visit our Citizens Science page: <http://www.mtleura.org.au/about-us/citizen-science/> and use the different apps to ADD ALL YOUR SIGHTINGS so that we can update our list of birds on the Reserves - **ebird** is our preferred app.

If you prefer not to use the apps then please email your checklist to the Friends of Mt Leura: foml@mtleura.org.au

Friends of Mt Leura Inc. are grateful for any/all feedback regarding birds and birdwatching on the Reserves.

Undertaken on behalf of the Mt Leura and Mt Sugarloaf Management Committee
